WE ARE SO GRATEFUL FOR OUR FRIENDS WHO SERVE THE COMMUNITY THROUGH ST. PAUL'S

Every opportunity to serve people is a blessing to us. We realize that people who help with community service projects are not always looking for a church to join. Whatever your reason is for working with us, we are glad you are here.

Through this group, we will continue to offer meaningful opportunities to serve the community as Friends of St. Paul's.
HOW CAN I HELP?

Many people have asked how to continue working with St. Paul's to serve the community. We would love for you, our growing group of friends, to join us in any or all of the opportunities described on the following pages. As you look over these projects, please think about ways you can help.

Volunteer Time
Help by working at events, making phone calls, delivering meals, and doing other tasks.

Share Your Skills
Whether you are an accountant, plumber, lawyer, auto mechanic, medical professional, chef, or hair stylist, your skills can be helpful.

Spread the Word
Tell friends and others you know about the community service opportunities. Share about it on your social media, etc.

Donate Money
Your tax-deductible monetary donations can help feed people, buy supplies, and more.
