### Declaration of Intent

I, as a Christian parent, understand and accept my responsibility to provide for the nurture of our child, in the knowledge and love of the Lord. We intend to provide religious instruction in the home, attend church regularly, to enroll our child in a parish program of Christian Education and to see that our child is presented to a Bishop for Confirmation when the child has reached an appropriate age. We look to St. Helena's Parish and to the Episcopal Church in whatever community we may reside in the future for the spiritual support and resource we will need in this important work.
